

# FOUNTAIN GATE PRIMARY SCHOOL

## Grade 3

### 2021 Parent Payment Charges

Please find here the itemised list that includes essential educational items (those items that your child needs for school). Below is a breakdown of the charge into its components. These are items that are essential to support the course of instruction in the standard curriculum that parents and guardians are responsible for, and therefore need to be paid by parents and carers.

***This is the only payment method for 2021 Booklists. Fees for each student will be available on Compass on the 4th November 2020.***

If you have difficulty making payments please contact the office to discuss possible support options and flexible payment arrangements (any information will be kept strictly confidential).

**The essential items will be purchased on parent/guardian's behalf. The items are purchased at a significantly reduced cost through our suppliers. The book pack will be delivered to your child's grade first day of school 2021. Books will be delivered only to students who have paid for their essential items or have made alternative arrangements.**

**Optional Items** are those items, activities or services that are offered in addition to or support instruction in the standard curriculum program. These programs are highly beneficial to students learning.
