

Supervision Arrangements Before and After School

Student safety at Fountain Gate Primary School is our highest priority and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school.

Before school: School grounds are supervised at 8.30 am every day when the school gates open. Staff on yard duty are rostered on and remain outside until 8.55 am, which signals the start of our day.

After school: School grounds are supervised from 3.15pm until 3.30pm. Students who have not been collected by 3.30pm will be sent to the office and parents will be contacted. If you arrive to collect your children after 3.30pm please come to the office. If you running late please contact the office.

Students on school grounds outside these times will not be supervised (unless they are attending a before or after school care program or supervised extracurricular activity).

Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending before or after school care, or a pre-arranged supervised activity (i.e. sports practice).

Families are encouraged to contact our office on 9703 1187 for more information about the before and after school care facilities available to our school community or if you would like any further information about our student supervision arrangements.

Our school's Yard Duty and Supervision Policy is on the following pages, you can also contact the school office if you would like a copy. This policy includes Fountain Gate Primary School's student supervision arrangements across the school day, including before and after school.
